OBJECTIVE

To showcase my unrelenting willingness to learn.
To find a position in an environment that will allow for personal growth and constant learning; a position which highlights my people and problem-solving skills, and a great career in which I can look forward to working as an essential member of a team.

To solve complex problems with a strong aptitude in mathematics and innovative techniques.

WORK EXPERIENCE

BRIAN MULLEN MUSIC

Owner • Operator, 2009-Present

Managing band members. I am responsible for recruiting, hiring, terminations, and replacements of my band members.

Marketing and promoting myself and my band. Coordinating tour schedule.

Finance manager. I negotiate show booking fees and compensate band members.

Networking with other artists, including collaborating and writing with published songwriters.

MAZZIO'S ITALIAN EATERY

Customer Service Specialist, 2005-2009

Created content for client blogs and social media and increased traffic by 25%.

Managing incoming customer calls. Assuring outstanding customer service. This included front counter food delivery and checkout service which was accurate and efficient.

Providing focused service to individual customers.

Building relationships with customers
